

an extension of time is needed, the extension is requested and please charge the fee for this extension to Deposit Account No. 50-0208.

In response to the Office Action dated February 8, 2001, please amend the above-identified application as follows:

IN THE SPECIFICATION:

Please replace the paragraph bridging page 19, line 22 through page 20, line 9 with the following:

a

The foregoing prosthesis may be manufactured in accord with the methods set forth in the above-incorporated patent documents or otherwise known, may be from materials set forth in the above-incorporated patent documents or otherwise known, may be surgically implanted as set forth in the above-incorporated patent documents or as otherwise known, such as an injection wherein the prosthesis would be inserted and then possibly filled with fluid, plastic or otherwise (in an embodiment wherein the ends extend beyond the scleral pocket, the body of the prosthesis may be filled and the end(s) actually become wider than the incision, precluding movement), including, for instance, new metals.
